CGU Workers Compensation

Wage Reimbursement Calculation Sheet

Injured Worker _____ **Claim Number** _____

Note: This sheet is to be attached to the Employer Request for Reimbursement of Weekly Compensation form.

Notes:
- Where an injured worker is on graduated return to work program, restricted duties and/or hours you must calculate the entitlement and amount claimable on a week by week basis.
- Where a worker is totally incapacitated for work you may claim week by week, for the entire period or part thereof.
- For part weeks divide the NWE by the number of working days the worker normally works to obtain a daily rate.

First 26 Weeks (Section 64)
